

HMC Management

POLICY

Subject: Mainland Property Parking Policy

Members or tenants parking in the Mainland Property must have a current HMC decal affixed on the lower driver's side corner of the windshield. Vehicles belonging to guests must display the stub of a current Guest pass on the dashboard.

Except when the ferry is in dry dock, vehicles may not park in the Mainland Property for longer than 72 hours without prior written approval from the Board or the Island Manager. Approval for parking longer than 72 hours will not be granted on holidays or over holiday weekends. Vehicles left in the Mainland Property for longer than 72 hours without prior written approval are subject to being towed at the vehicle owner's expense. Vehicles without a current HMC decal or the stub of an owner guest pass are subject to being towed at any time at the owner's expense.

The Island Manager will arrange for apparent derelict or disabled vehicles to be towed immediately.

This policy supersedes all previous policies on this topic.
