

A map showing HMC Lots for sale, along with their corresponding prices, can be found at herronisland.org/map/map.pdf. HMC's [Land Use Policy](#) requires that all saleable Lots be made available to the General Membership for first consideration.

Following that, (after approximately 30 days) the Lots will be made available to the General Public. Members and other potential buyers interested in purchasing a Lot should contact the HMC Office at office@herronisland.org or 253.884.9350.
